

Shahid Gillani

Imagine a world where websites and applications not only look stunning, but they also have the functionality to match. That's where I come in. With my expertise in React, Redux, HTML-5, CSS-3, MUI, NextJs, Tailwindcss, Git, Nodejs, and Expressjs, I can bring visions to life. My passion for crafting user-friendly interfaces and attention to detail ensure that every pixel is perfectly placed. Let's work together to make dreams a reality.
